HOW TO USE THIS BOOK

PICK IT UP, USE IT THE SAME WAY, NO GUESSING.

Every value here is decided. If a rule is missing, we decide it, add it to this book, and only then post.

01 / WHO WE ARE

EVERY TRIP IS A FRAME.

A group of Bengali friends who travel anywhere, by any means: bike, train, road, boat, plane, mountains.

Every trip becomes a story on our social pages, YouTube, blog and vlogs.

WHAT THE BRAND MUST SAY

A travel club

Not an art group, not a company.

Young and open

Modern, and welcoming to every culture.

Proudly Bengali

Pattachitra, Bengal's scroll painting, is our storytelling metaphor: each trip is one panel of an endless scroll.

FRIENDS TELLING THE STORY.

Told as we

First person plural. We went, we got lost, we found the tea stall.

Place first

Lead with the place, the moment and the people. Facts and tips after.

Two languages

Bangla and English side by side, one voice. Never a stiff word-for-word translation.

Never

Clickbait, fake hype, influencer cliches, em dashes, or a trip we didn't take.

FIXED PATTERNS

Headlines in capitals, captions in sentence case. Every post about a trip opens with its tag: TRIP 07 · [PLACE].

02 / THE IDEA

FRAME, SUN, ROUTE.

The frame

One trip, one story. One panel of a Patua scroll.

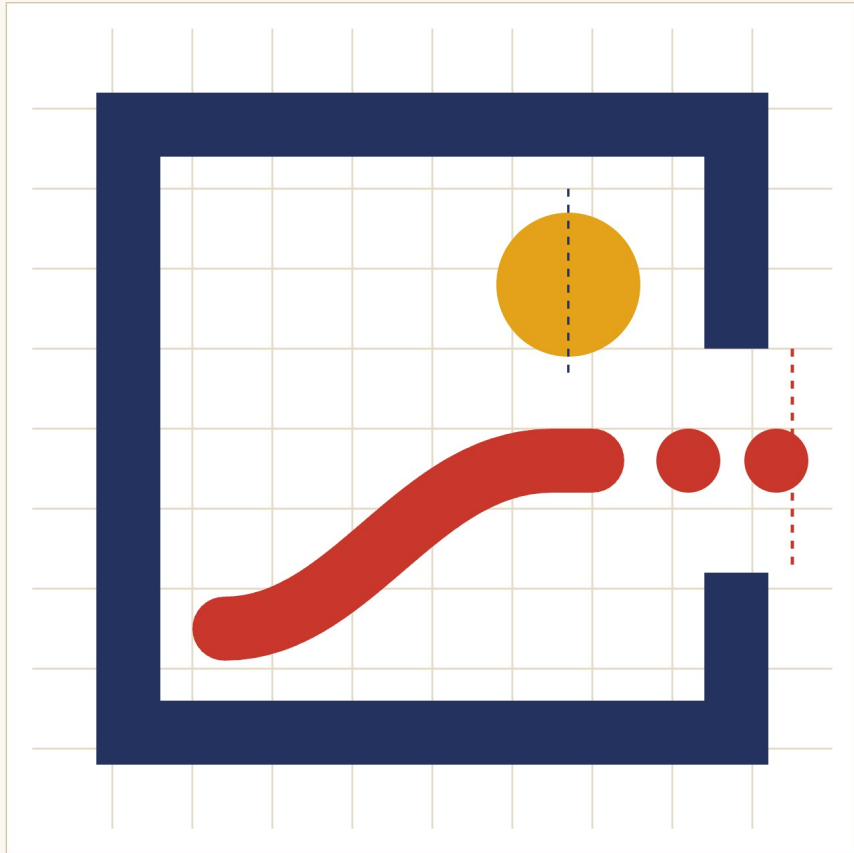

The sun

The early start, the adventure, the next place.

The route and the dots

However we got there. It walks out of the frame and keeps going: never ending.

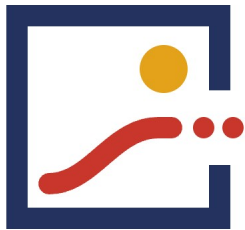

02 / CONSTRUCTION

BUILT ON A 200 GRID.

Part	Value, in units
Canvas	200 × 200

Heavier lines, one dot. Every social avatar, small print, badges under 4 cm.

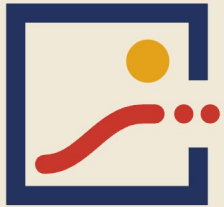

03 · Micro

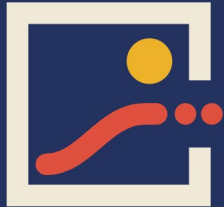

Under 24px

Always on its indigo tile. Favicon, bookmarks, tiny icons.

FOUR FILES, ONE JOB EACH.

Full colour, light. Indigo, red, turmeric on cream or white. Pages and posts.

Full colour, indigo. The home version. Avatars, patch, thumbnails.

One colour, indigo or ink. Stamps, emboss, laser, partner lockups.

One colour, white. Over photos and video. The watermark.

BRAND MARK

When the name is nearby: patch, stamp, end cards.

SOCIAL

Compact mark on indigo

Every profile picture. In white, the video watermark.

FAVICON

Micro on its tile

Browser tabs, bookmarks, anything under 24px.

GIVE IT ROOM.

x = two sun widths

72 units, held on all four sides, scaled with the logo.

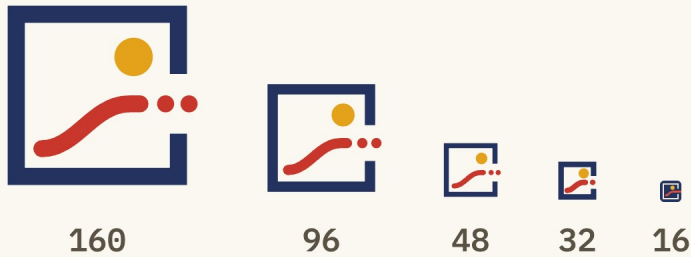

Nothing enters

No text, rules, photo edges or page margins inside the band.

More is fine

Clear space is a minimum. Crowding is the most common misuse.

MINIMUM SIZES.

Version	Screen	Print
Mark alone	24px	8 mm
Horizontal lockup	120px wide	30 mm
Stacked lockup	80px wide	20 mm
Bilingual lockup	160px wide	40 mm

Below 24px switch to Micro.

Files: SVG for screen, PDF for print.

SIX WAYS TO BREAK IT.

Don't stretch or squash

Don't change the colours

Don't round the corners

Don't close the frame or drop the dots

Don't put it on red or turmeric

Don't add shadows or effects

One exception: the rubber stamp may sit at a slight tilt.

A guide, not a ruler. Red and turmeric never fill behind body copy.

03 / APPROVED PAIRINGS

SIX PAIRS. NO OTHERS.

 Aa Indigo on cream · 10.3:1	 Aa Cream on indigo · 10.3:1	 Aa Turmeric on indigo · 6.5:1
 Aa Ink on turmeric · 8.3:1	 Aa Indigo on turmeric · 5.6:1	 Aa Red on paper · 4.9:1

Turmeric is never text on cream or white: 2.1:1 fails. It stays a shape there, like the sun.

THE GRID IS THE SCROLL.

Avatar

Compact mark on indigo, on Instagram, Facebook and LinkedIn alike. It survives every circle crop.

Posts

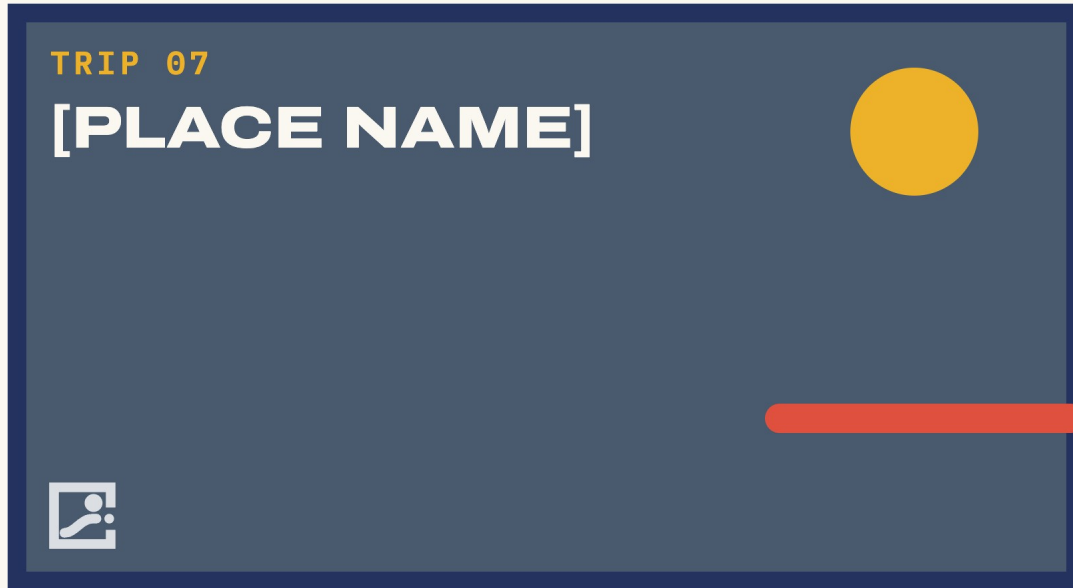

Every photo sits in the square indigo frame, so the grid reads like panels of a scroll.

People

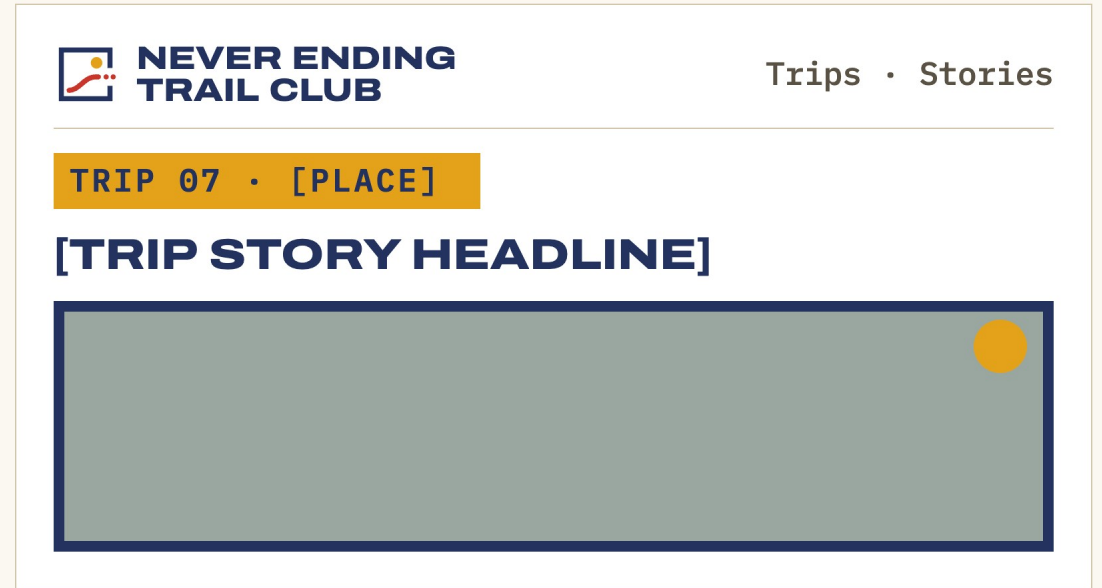

Always the group, never solo portraits. Captions in Bangla and English, trip tag first.

Tiles are placeholders for real trip photos.

EVERY STORY IN THE FRAME.

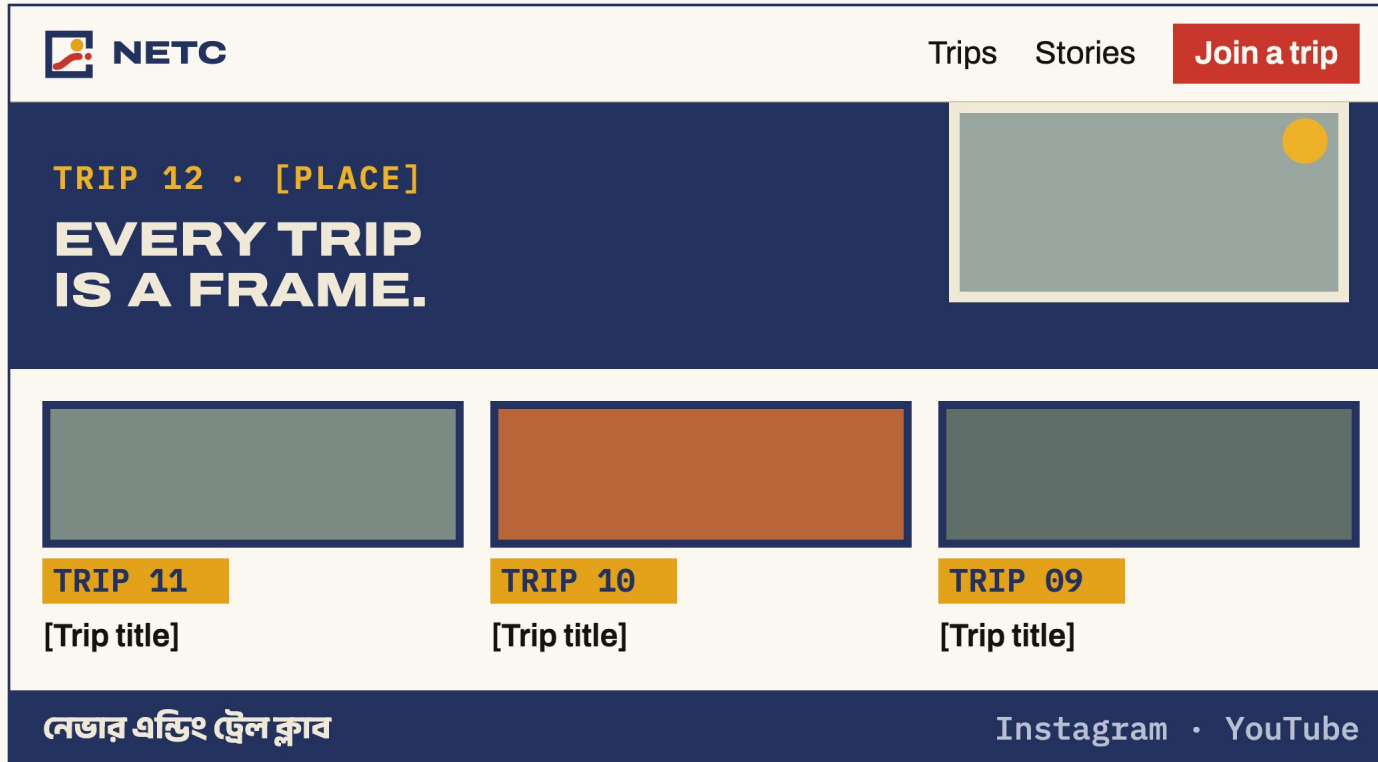

YouTube thumbnail. Indigo frame as the border, turmeric sun where it sits in the logo, red route leaving. White watermark in the corner.

Blog. Horizontal lockup in the header. Every story opens with its trip tag, headline and hero photo in the frame.

THE HOME PAGE SCROLL.

Horizontal lockup left, two or three links, one red button.

Hero

Indigo ground, the latest trip tag, one headline, one photo in the frame.

Trip cards

Framed photo, turmeric tag, title. Newest trip first.

Turmeric fill with indigo text on light, turmeric text on indigo.

ROLLOUT
